

PROPHETIC WORD for UK & KAN

Prophet Delon Aaron, Guyana 04.03.21

And quickly I want to speak over the UK because God says I have this nation as an Antioch nation, this is a nation I've used in times past, to touch countries and colonies. I made you an Antioch nation I'm going to visit your land, I'm visiting the land of the Union Jack. I'm visiting the land of the Monarchy. God says this season I'm raising up those who I'm going to use and not only as my oracles and God says as it was in the days of Isaac I'm going to cause the wells that were dug by your forefathers and the wells that were dug by those of old, I'm going to cause wells to flow again, and there's going to be pockets of revival that's going to break out in your cities, and in your towns. Get ready Great Britain because I'm going to cause such a move of my revival and awakening to hit your land again and it's going to be known it's going to and echo and resonate around the globe and around the nations of my Spirit and you're going to see such an outpouring of my move even from local houses. I'm getting ready to bring reformation at your doorsteps God says when you exited from the EU. A Brexit was not an exit. It was an entering for you because I'm causing you to enter into new alliances. God says he's going to bring you new trading deals this season because I see the ships of Tarshish come loaded and new resources are coming. Where the enemy wanted to bring death and the spirit of death on the nation the wind will blow and bring freshness and bring life and raise up those who are going to cry aloud and spare not who are going to cry to me because I had you in a season. Even as in Nineveh there was a window of opportunity to repent, and God says my prophets have been prophesying and my apostles have been forewarning and God said I had you in that Nineveh season and I've been testing your heart. I'm getting ready says the Spirit of the

Lord to even judge and I've stirred up some things in your nation but I'm raising up the watchmen and the intercessors who are going to cry out for Great Britain the people of pride and the people of heritage and I'm going to bring back honour to you and honour to your nation and **I'm going to cause your Union Jack to fly again over nations says the Spirit of the Lord and God says stand and watch over the monarchy, stand and watch over the monarchy, because God says as the monarchy goes so goes the nation. I see the enemy wants to bring mockery and the enemy wants to bring a demise to the monarchy, but God says so goes the monarchy, so goes the nation. So I'm raising up my intercessors in the land to stand on the wall to watch over the monarchy, because God says I've established my rulership in your nation, and you're a people I call royal, and indeed in this season, I'm getting ready to do something in your land says God. You're a people who know how to conquer, you're a people who know how to war, how to battle. Now you will be known as a people who know how to triumph, but God says a storm is coming but God says buckle up Great Britain because you're going to ride waves and you're going to ride out the storm because it's going to seem like a shaking is going to come to the nation but God says you will not be moved, you will not be shaken, God says you're going to rise up, as a people of authority, not only a people of royal authority because you understand authority. So God says reign and rule Great Britain because you will not go down in this season but you will come up, you're going to come up. I see the scale is tipping, but God says I'm going to bring balance to your nation again. I'm bringing back your equilibrium and that which tries to pull the nations apart I'm beginning to address it, and I begin to deal with it. You're going to see change in some legislative things, you're going to see change even in your Parliament and I'm going to raise up a Prime Minister from amongst

you says the Lord, He will be like a Daniel, he will understand how to move with my timeline. So the nation can come into her destiny, so get ready I'm doing a new thing in you and over you says the Spirit of the Lord get ready the UK for the shift

Apostle Jenny God says in this season I'm releasing new arrows and bows. God says' I'm not only giving you new arrows and bows but more, you will not run out, you will have more and more strategies you will never run out of ideas of how to take KAN to the next level and even how to take KAN to the next dimension, and God says I'm going to give you even in this season give you and cause new technology to even work in tandem with you, technology's going to be your friend as I take the church to be the new wineskin church because you move in apostolic hub, an apostolic centre, you'll be a new wineskin church and you're going to be moving with technology says the Spirit of the Lord. Revival will hit Burton on Trent. God says there's a people and a remnant out there who've been crying out to me seeking me and God says I'm going to use you in Burton on Trent and God says you will be known in other nations even in other cities, so get ready it's coming so be open my son, my daughter, and God says writings will come forth in this season a book how to bring sheep nations says the Lord and God says you release it in this season, man and woman of God, I'm going to cause a strong legacy to come forth says the Spirit of the Lord so get ready. We are in excited times, God is doing new things, and we're moving - out with the old and in with the new x2 in this season Hallelujah.
