

## King of Glory Words

Jacque Tyre December 27 & 30, 2023

I heard the Lord say on the morning of December 27, 2023:

*Ezekiel saw Me as the King of Glory by the River Chebar. He witness Me departing as the King of Glory in Ezekiel 10, and he saw Me returning as the King of Glory when order would be restored to My House and My people.*

*Without Me sitting enthroned as the King of Glory, you will never see the fullness of My Kingdom rule and My Kingdom culture established.*

*David saw Me, and welcomed Me, as King of Glory to rule and reign, enthroned upon the praises of My people out of the Tabernacle of David. The throne of David was and is the Tabernacle of David, the place where I am enthroned as the King of Glory.*

*Where I am enthroned and received as King of Glory, the character, nature, and authority of My Name will be manifested in fullness. The culture will reflect and reveal My character, nature and authority. Love, holiness, truth, goodness, righteousness, justice, purity, passion & zeal, honor, peace - wholeness, nothing lacking, missing, broken, damaged or defiled, humility, meekness, strength - not of the flesh but of My spirit, will be established.*

*When I come to reside as King of Glory, everything changes.*

*When I come...I restore... I cleanse... I redeem.... I do this for My own Name's sake.*

Morning, Saturday, December 30, 2023

*You need to recognize that the measure of My glory the Church and world today is encountering is but the hem of My garment, just the fringe beginning to brush in to the crowd. The angelic activity increase you are experiencing consists of My preceding angelic armies who move in to prepare and announce My arrival. They are listening for the sounds of My saints releasing My word in the earth, activating their movement of fulfill My assignments to prepare the way, make straight the pathway, and prepare a dwelling place where I shall sit enthroned as the King of Glory.*

***Are you ready for more than the brushing by of the hem of My garment or the rustling of My preceding angels?***

*I say to you that most are not, and many even think they have entered in to more than they have. It is more than you have known in the past, but compared to what I have purposed, it is but the hem of My garment.*

## **King of Glory Words**

*Like the woman with the issue of blood, faith reaching out to touch just the hem of My garment unlocked miracle working power. The same is true today. Faith reaching out to touch just the hem of My garment unlocks My virtue to flow in power and miracles break out!*

*But know this, when I fully step into the room everything changes, and when I set upon the throne in your midst as the King of Glory, nothing will ever be the same again...*
